

## **Examination Information & Questions.**

**Note:** Please return your answers to this examination along with photographic evidence of your work to our tutors via email, info@rapunzelhairacademy.co.uk

**Practical Assessment:** Please install at least 2-3 rows of hair extensions per method, we need to see close up pictures of your work so we can see how the bonds have been installed. If you wish to practice taking the extensions in and out please provide us with more photographic evidence of your work, this can be emailed to your tutor.

If you have any questions please contact our tutors anytime, we are here to help you!
